Dear Mr. Guimarães

As you are aware, we have invited Ms. Maria Lucia Fattorelli Carneiro to attend a meeting on public debt here in Geneva on 11th and 12th of November. I therefore kindly request you to release her from her duties in order for her to attend this meeting.

UNCTAD has launched a new initiative aimed at promoting responsible sovereign lending and borrowing. Through this initiative UNCTAD will create a forum for the study and documentation of the practices and standards on responsible sovereign lending and borrowing and related consensus-building activities. Given the close connection between this initiative and the work you currently undertake investigating the Public Debt of Brasil, the participation of Ms. Fattorelli Carneiro would be of great importance.

Please accept, Sir, the assurances of my highest consideration.
