### **Parliamentary Front for the Audit of Public Debt with Popular Participation**

#### **Diploma of Recognition**

The Joint Parliamentary Front for the Audit of Public Debt with Popular Participation pays tribute to the Greek Deputy Zoe Konstantopoulou, former President of the Hellenic Parliament, for her work on behalf of the Greek people, especially for proposing the creation of the Truth Commission to carry out the Audit of Greek debt, with the participation of national and international civil society; brilliant initiative that inspires us to perform extraordinary done in our country.
